

THE GAME-CHANGING PHARMACY PROGRAM

DoctegrityRX's benefit is a revolutionary home delivery pharmacy. We are focused on helping the cash paying consumer, with a mission to provide affordable prescriptions to anyone. Our experienced team of customer service and pharmacy partners provide the highest level of care when you need it most. All of our products and prescriptions are approved by the FDA and sourced in the United States. From acute to chronic needs, and over-the-counter options, our medications are some of the most cost effective in the industry.

Maintenance Medications (Chronic Need)

Maintenance drugs are medications prescribed for chronic, long-term conditions and are taken on a regular, recurring basis. Examples of chronic conditions are high blood pressure, high cholesterol and diabetes, to name a few. These drugs are well-established medications that have proven safety and efficacy and are considered first-time therapy options for the treatment of common chronic conditions.
